

Lost Valley

Budweiser Corporate Racing League

Rules and Information

- Each Team will register prior to the start of the program with a Corporate Race Team Roster. The corporate Team Registration Fee is \$150.00 per team.
- The Program will run each Thursday evening for six weeks, starting January 09, 2003.
- The race course will be open from 6:00-8:00pm. Skiers/Riders can take their runs anytime during these hours once they have obtained their race ticket at the ticket counter. The race fee is \$10.00 per racer (Please note: This race fee is for this specific event, it includes the costs involved in setting, running and timing the race as well as the buffet provided.) Participants that hold season passes should know that this is a completely different event and that the race fee is applied specifically to this event. A season pass does not cover this race event. Another point of information, we have heard your requests based on previous year's surveys for a change of food items on the buffet, and there will be changes this season! ☺ Let it be known that one of the most enjoyable parts of the evening is the social gathering that takes place in the Brookside Lounge, sponsored by Budweiser. Your ticket will qualify you to win a slew of prizes and Lost Valley will offer Budweiser and other specials.
- Each Team Roster will consist of 5 racers, at a minimum with a maximum of 10 registered racers.
- All Team Members must be at least 21 years of age.
- Substitutions will be allowed.
- Handicaps will be allowed.
- NEW REQUIREMENT for 2003- Each Team must have a Snowboard racer or Telemark racer or a Female racer.

- Each racer will take 2 times runs, If one of the runs is not taken, or is not finished, the racer will be given a DNF (did not finish).
- Lost Valley will determine if a race night is to be cancelled due to inclement weather or inadequate course conditions. Lost Valley will call each team captain for notification of a cancellation by 1:00pm on that race day. Lost Valley will make every effort to make up that week. It is the responsibility of the Team Captains to notify your team members. It is not our desire to cancel race night, so if at all possible, we will restrain from cancellation. Lost Valley may simply run for fun on inclement weather days, should it be deemed necessary.
- Refunds: Lost Valley will make every effort to reschedule a cancelled race night. This will, of course, depend on the length of the season and snow conditions. There are no refunds.
- Only the top 4 racers on each team will count for the total team score, with the requirement of a one "alterative" racers time included. (i.e.: Female Racer, snowboarder, or telemark racer) If a team has less than 5 racers on a given night, the team points total will only be the total of those that raced, so be sure to have at least 4 members of your team present each week.
- The team with the most points wins. The winner will be announced at the end of the season celebration and the grand prizes awarded on that final Racing Party Night.
- Results will be posted each week after the races are completed and weekly prizes drawn during the post race party in the Brookside Lounge.
