# Baxter Brewing Race League Protocol

The team fee is \$200 for the season. This fee helps to offset the cost of running the races each week and other logistical expenses. Additionally there is a fee of \$15 per racer per night. This includes lift ticket from 6pm-8pm, your race fee for the night and appetizer and Baxter or LVB Beer discounts for the night. The weekly fee for Lost Valley Season Pass Holders is \$10 and includes race fee & appetizers. You must be on a team roster prior to signing in at the registration desk in order to obtain a Racer Number for the season. As there are no Bibs, you are responsible for telling the starter your Racer Number in order to have your times count for the night. Prizes are given out in the lounge area after the race. Prize drawings start at 9pm. The race staff will do their best to get results out by 9:30pm. Individual results are found on Live-Timing.com. Team results will be posted on our website each by each Tuesday following each race.

The Baxter Race Program will run evenings for 10-weeks starting **January 7th 2021**. The first night is a training night and is not scored. Team captains will also be able to sign independent free agents. The last night is a costume party night, fun runs and awards will be presented.

The race is a modified Giant Slalom held on Big Buck. It is either dual courses with one run on each—Red and BLUE—and the total of your first run on each is counted towards your team score. The race course will be open from 6pm-8pm. Each racer must take their runs anytime in these hours. Any racer who fails to take their runs will be assigned a DNS (Did Not Start). Any Racer who does not complete the course will be assigned a DNF (Did not Finish). Or, if a racer does not complete the course legally, they will receive a DSQ (Disqualification). Fun Runs will be allowed AFTER YOU COMPLETE YOUR RACE RUNS. Please tell the starter FUN RUN and your race number. Every attempt will be made to announce the time and the scoreboards over the timing building should be display fun run times. Race Runs always move ahead of Fun Runs. Please yield to Race Runs if you are fun running.

A Team is comprised of 20 Members. Baxter Racing is an honor system. There are no Gatekeepers on the hill. Our best effort is made to run a fair race from the start and timing buildings. If you miss a gate, please do not cross the finish line. If you miss a gate and inadvertently cross the finish line, please notify the race crew scorer. Only race under your Racer Number. Knowingly letting someone else race (ghost running) with your number or racing under the wrong number is an offense and the racer or team will face a -50 point penalty. The race director for the night will make the decisions. Rulings that do not appear clear will go to the jury. The jury is comprised of any league Captains present in the bar at the time.

Racers may chose to race as independents. They can be assigned to a team if they want to. Their scored race cannot to apply to a Team Score until they sign in for a race under the applicable team. **Captains, please notify Scott Berube of all new (added) members, roster adjustments, or attained independents by Tuesday 5pm prior to Thursdays Race**

**CANCELLATIONS:** Lost Valley will decide if the race cannot be held due to poor course conditions. Team Captains will be notified by 3pm on Day of Race.
